Electronic Funds Transfer Authorization Agreement

Buena Vista University's Electronic Funds Transfer (EFT) program is a simple and convenient way for you to make your annual gifts to BVU.

Instead of using checks or credit cards, you can choose to authorize an electronic transfer of funds directly to BVU from your checking or savings account. This is a convenient way to break down an annual gift into easy-to-budget monthly payments.

When completing the EFT Authorization Agreement, you designate the personal account from which you wish to transfer funds, as well as the amount of each monthly gift. Your bank statements will then show the transfer of your contributions on the last working day of each month. There are no stamps to stick and no envelopes to address. EFT is fast and secure.

Your electronic transfers will continue until you decide to stop or change the transactions. You may cancel or adjust your monthly EFT at any time by simply mailing a written notice to BVU.

To enroll, complete the authorization form to below, return it to Buena Vista University, and put EFT to work for you.
