The Buena Vista University Pre-All-State Music Camp was established to provide students with help working towards success in the All-State Audition process. We know that this initial experience is only a springboard towards the necessary preparation to make the Iowa All-State Chorus. Many students interested in auditioning for All-State are busy leaders in other activities at their high schools. Starting their preparation in this larger setting allows the students to work in sectional rehearsals and to hear how the various parts fit together with this complex program. Our campers come from all school sizes across Iowa. They enjoy meeting one another and working hard on preparation of the music.

We invite up to 200 students. When camp is filled, no more registrations will be accepted.

Our experienced staff of ten professional directors and accompanists coordinate the rehearsal schedules to meet the needs of the demanding scores and languages presented in the All-State program. Students from all sized high schools made this prestigious list. We have air-conditioned facilities to provide excellent rehearsal environments for the students. The staff at BVU works to make the camp experience fun and motivational for the students. Our goal is their individual success. Many high school directors attend the various rehearsals to get a start at learning the new All-State scores.
