

Individuals Who Were Victims of IRS Tax-Related Identity Theft

An individual who was the victim of IRS tax-related identity theft must provide:

- A Tax Return DataBase View (TRDBV) transcript obtained from the IRS or, if unable to obtain a TRDBV, an equivalent document provided by the IRS or a copy of the signed 2024 income tax return and applicable schedules the individual filed with the IRS, **and**
- A statement signed and dated by the tax filer indicating that he or she was a victim of IRS tax-related identity theft, and that the IRS is aware of the tax-related identity theft.

Individuals Who Filed Non-IRS Income Tax Returns

A tax filer who filed an income tax return with a tax authority other than the IRS may provide a signed copy of his or her income tax return that was filed with the relevant tax authority. However, if we question the accuracy of the information on the signed copy of the income tax return, the tax filer must provide us with a copy of the tax account information issued by the relevant tax authority before verification can be completed.
