

Verification of 2016 Income Information for Parent Tax Filers

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before disbursing Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Assistance. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Important Note: The instructions below apply to each parent included in the household. Notify the financial aid office if the parents filed separate IRS income tax returns for 2016 or had a change in marital status after December 31, 2016.

Instructions: Complete this section if the parents filed or will file a 2016 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify 2016 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed by the FAFSA filer.

Check the box that applies:

- The parents have used the IRS DRT in *FAFSA on the Web* to transfer 2016 IRS income tax return information into the student's FAFSA.
- The parents have not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2016 IRS income tax return information into the student's FAFSA.
- The parents are unable or choose not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school with a **2016 Federal Tax Return(s) and all W-2's**.

If the parents filed separate 2016 IRS income tax returns, the IRS DRT cannot be used and the **2016 Federal Tax Return(s) & W-2's** must be provided for each.

- _____ Check here if a **2016 Federal Tax Return(s) and all W-2's** are provided.
- _____ Check here if a **2016 Federal Tax Return(s) and W-2's** will be provided later.
