

Verification of 2017 Income Information for Student Tax Filers

Your 2019-2020 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before disbursing Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Office of Financial Assistance. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Important Note: The instructions below apply to the student and spouse, if the student is married. Notify the financial aid office if the student or spouse filed separate IRS income tax returns for 2017 or had a change in marital status after December 31, 2017.

Instructions: Complete this section if the student and spouse filed or will file a 2017 IRS income tax return(s). *The best way to verify income is by using the IRS Data Retrieval Tool (IRS DRT) that is part of FAFSA on the Web at FAFSA.gov.* In most cases, no further documentation is needed to verify 2017 income information that was transferred into the student's FAFSA using the IRS DRT if that information was not changed.

Check the box that applies:

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2017 IRS income tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2017 IRS income tax return information into the student's FAFSA.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school with a **2017 Federal Tax Return(s) and W-2s**.

If the student and spouse filed separate 2017 IRS income tax returns, the IRS DRT cannot be used and the **2017 Federal Tax Return(s) and W-2s** must be provided for each.

_____ Check here if a **2017 Federal Tax Return(s) and W-2s** are provided.

_____ Check here if a **2017 Federal Tax Return(s) and W-2s** will be provided later.
